

## **Special Guest Appearance for Radio**

Everyone has a friend who has a friend who can share a psychic tale... but maybe it's time to get serious with a real Queensland true blue psychic on air.....

We are looking for a radio station to give the listeners something to talk about...

**Amanda De Warren is Australia's leading medium and animal communicator and highly respected animal behaviourist, who was once called the 'pint-sized thunder from down under' by The New York Times.**

Amanda De Warren has **events in Brisbane** from the 18 to 21 August, **Mt Tamborine** 2 to 4 September, **Gold Coast** 27 to 30 October and **Toowoomba** 5 to 6 November.

**We are looking to have her show her gift and share her channelling with your listeners and give some real insight to what a medium can do.**

Amanda is happy to **give away to your listener's**, two free tickets to her animal communication seminars and her messages from beyond shows as well as a half hour phone reading.

If you are seeking something different and would consider Amanda for a **special guest spot** or a **regular weekly** or **monthly spot**, please contact us at your earliest time.

For something unique, consider having Amanda on the phone talk to a caller about their pet that has passed away, is sick or missing you will be pleasantly surprised. She also does the human channellings but the animal communications always seem to be a huge hit with the listeners in the past.

Amanda doesn't even need to be in the studio as she is able to do all her communications over the phone.

Amanda said she has met her fair share of sceptics and cynics when it comes to her ability to speak to people who have passed over. She is not one of them.

There are a series of events in 2011 being held across the country starting 18 August 2011 in Brisbane. Types of events being held:

- One-Day Inner Peace Workshops
- Animal Communication Seminars
- Messages From Beyond Show
- Afterlife Connection Intimate Sessions
- Two Day Soul Rejuvenation Retreats

Queensland based Amanda De Warren has worked with more than **5000 national and international clients**. She has **appeared as a guest** on **over fifteen radio stations** around Australia, a **Current Affair**, **Today Tonight**, **Talk to the Animals** and has featured in more than **70 national newspapers and magazines** including *The Courier Mail* and *Sunday Mail*.
